This is a professional development certificate series that includes 10 courses in Bible, Theology and Ministry Leadership.

Each course is fully online and only 7 weeks long, allowing you to complete the series wherever you are in 2 years or less.

Each course is paid for separately, so you can take competitively priced courses as you can afford them.*

The C&MA requires a minimum of 30 professional development credits in Bible, Theology, and Ministry Leadership (18 of the 30 are in Bible and Theology). CROWN 30 is an approved pathway to licensure and ordination within the C&MA if you don't already have a Bible or Ministry degree.

This series has been developed based upon accredited ministry courses. If you successfully finish the program and want to keep learning, you can bring these courses in for 15 credits towards an online Ministry Associates degree or 30 credits towards an online Ministry Bachelor's degree.**

*Cost per course is \$470 or \$4,700 for the certificate series. This does not include the cost of textbooks.

**CROWN 30 courses are only transferable to a Crown College Online degree and are subject to the review of other institutions should you try to transfer them elsewhere.
