

## Postsecondary Enrollment Options

PSEO is a dual enrollment program that allows 11th and 12th-grade Minnesota students to enroll in FREE college courses that earn them credits simultaneously for both high school and college.

Crown is a fully accredited college that offers quality academics and a boldly Christian environment. We partner with your high school to offer in-person PSEO classes conveniently located at your school. Students take classes in a hybrid format in which Crown's online instructor partners with a teacher from your school.

**CROWN COLLEGE**

**Concepts of Personal Finance BUS 130 SW (3 Cr) CIS Personal Finance**

A practical study of what Scripture says about financial stewardship, tithing, giving, investing, and the use of debt. Students will develop personal budgets and financial goals. Discussion will also include the use of various types of credit and insurance.

**Entrepreneurship BUS 2400 SW (3 Cr) EBC**

This course will introduce students to the essential knowledge and skills of entrepreneurship, focusing on the planning, management, marketing, financing, and other entrepreneurial functions. The course will also focus on the role that the entrepreneur plays in contemporary society. Particular attention will be given to mission as it relates to continuous innovation, adaptation, sustainability and organizational learning.

**Bus Mngmt & Ethics (Part 2) BUS 2414 SW (2 Cr) EBC**

This course is the second of a two-part series that provides students with a practical introduction to the key principles and processes of business management. Special attention will be given to ethics in business. Building on materials from the first course, this class introduces additional management and ethical principles. Not to be taken in addition to BUS 2415.

**Spanish III LAN 335 SW (3 Cr) CIS Spanish III**

The purpose of the second-year courses is to increase the student's ability to speak, understand, read, and write the Spanish language. The courses will also increase the student's awareness of Hispanic culture and will review aspects of Spanish grammar. Prerequisite: LAN 256 or consent of the instructor

**Spanish Lang Short Stories LAN 411 SW (3 Cr) CIS Spanish IV**

A study of selected Spanish language short stories and novellas. Emphasis is given to discovering and discussing such topics as religion, politics, exercise of power, issues of gender, view of history, racial and ethnic relations, class, and national identity. The course provides the opportunity for development of reading and speaking skills in Spanish. The course is conducted in Spanish.

**Precalculus MAT 1410 SW (3 Cr) CIS Precalculus**

This course covers concepts that are foundational for calculus. Topics include trigonometry, analytic geometry, probability, vectors, sequences and series. Students will also be introduced to the topic of limits. Prerequisite: MAT 131

**Calculus I (Part B) MAT 2432 SW (2 Cr) CIS Calculus I**

This course is the second of a two-part series that covers the first semester of college Calculus as defined by Crown College (MAT 243 - Calculus I). Students must take both parts to get credit for Calculus I. Integration is introduced including work with the definite integral and integral applications. Inverse functions and their derivatives, including exponential, logarithmic and inverse trigonometric functions are also covered.

**General Chemistry I (Part 2) SCI 2452 SW (2 Cr) CIS General Chemistry**

This course is the second of a two-part series that covers the first semester of college chemistry as defined by Crown College (SCI 245 - General Chemistry I). Students must take both parts to get credit for General Chemistry I. Topics include thermochemistry, chemical bonding, molecular geometry, the properties of gases, acids, bases, and pH. College level laboratory work includes the use of spreadsheets, keeping a scientific notebook writing a formal laboratory report.

**Introduction to Public Communication COM 1515 SW (3 Cr) CIS Intro to Public Communication**

This course provides the student with an introduction to the theory of the communication process. Topics include analyzing a target audience, organizing material, preparing an effective method of delivery, and developing informative and persuasive speeches. Each student will deliver speeches that are videotaped and evaluated.
