

# PSEO Partner | West

## Postsecondary Enrollment Options

PSEO is a dual enrollment program that allows 11th and 12th-grade Minnesota students to enroll in FREE college courses that earn them credits simultaneously for both high school and college.

Crown is a fully accredited college that offers quality academics and a boldly Christian environment. We partner with your homeschool group to offer in-person PSEO classes conveniently located at your group's location. Students take classes in a hybrid format in which Crown's online instructor partners with an instructor from your homeschool group.

CROWN COLLEGE

**Public Communication COM 1515 P2 (3 Cr)**

This course provides the student with an introduction to the theory of the communication process. Topics include analyzing a target audience, organizing material, preparing an effective method of delivery, and developing informative and persuasive speeches. Each student will deliver speeches that are videotaped and evaluated.

**Introduction to Literary Analysis ENG 1512 P2 (3 Cr)**

Continued instruction and practice in writing and the writing process are the focal points of this course, with emphasis on critical analysis of literary genres.

**Art Appreciation FAR 1560 P2 (3 Cr)**

An introductory study of art appreciation that examines significant art and artists associated with major art movements with a special emphasis on historic and contemporary art reflecting Christian beliefs. Content and knowledge emerge from the study of the elements and principles of art to acquire a vocabulary and understanding of the meaning and purpose of visual imagery and an overview of the development of art throughout history to the present.

**US History HIS 2520 P2 (3 Cr)**

The course will examine political, social, economic, and international dimensions of the history of the United States. It aims to stimulate both an analytical and a moral understanding of critical issues from the nation's pasts.

**Spanish II LAN 256 P2 (4 Cr)**

This builds on the work of Spanish I as an introduction to the sounds, vocabulary, and structures of the Spanish language through listening, speaking, reading and writing as well as awareness of the cultural context of the language. Communicative skills are reinforced through practice in integrated laboratory activities.

Prerequisite: LAN 255 or consent of the instructor

**Health and Wellness for Life PED 1515 P2 (3 Cr)**

This course focuses on health in various aspects of life including physical, emotional, spiritual, vocational, social, and financial health. Students will learn basic principles of health in each of these areas and be encouraged to apply these principles to their own lives.

**General Psychology PSY 130 P2 (3 Cr)**

This course is designed to provide a broad overview of the field of psychology. Topics include research in psychology, the brain and nervous system, sensation and perception, memory, emotion, learning, psychological disorders and psychotherapy. This introductory course aims to help students think deliberately and skillfully about human behavior and mental processes.
