# Postsecondary Enrollment Options (PSEO) Student Eligibility

## Minnesota Statutes 2024, sections 124D.68 and 124D.09

Public, Nonpublic and Home School Student Eligibility – 11th or 12th Grade, Minnesota Statutes 2024, section 124D.09, subdivision 4 and 5.

An 11th or 12th grade pupil enrolled in a Minnesota public, nonpublic, home school or American Indian controlled tribal contract or grant school eligible for aid under section 124D.83, except a foreign exchange pupil enrolled in a district under a cultural exchange program, may apply to an eligible postsecondary institution (PSI) to enroll in nonsectarian courses.

An 11th or 12th grade pupil who is not enrolled in a public school district and includes students attending nonpublic schools and students who are home schooled. A nonpublic or home school student must continue to submit the Letter of Intent to Continue to Provide Instruction to the resident school superintendent in order to participate in PSEO (even if the student is beyond age 17).

Public, Nonpublic and Home School Student Eligibility – 10th Grade CTE Pathway, Minnesota Statutes 2024, section124D.09, subdivision 4 and 5(a).

A 10th grade public, nonpublic or home school student may enroll in one career or technical education course offered by an eligible institution during the first term of enrollment. A 10th grade student must have received a passing score on the 8th grade Minnesota Comprehensive Assessment (MCA) in reading as a condition of enrollment.

A current 10th grade pupil who did not take the 8th grade MCA in reading may substitute another reading assessment accepted by the enrolling PSI. If the 10th grade student received a "C" or better in the career or technical education course, the institution must allow the student to take additional postsecondary courses at that institution, not to exceed the limits in subdivision 8.

### Career Technical Education (CTE) Course Definition and Payment

- CTE courses do not include Study Skills, First Year Experience, Career Development Skills or College Success
- For the purpose of PSEO reimbursement for CTE courses taken by 10th grade students, MDE will only pay for courses that are part of a career and technical education program that is not also included in the Minnesota Transfer Curriculum.
- A "career or technical course" is a course that is part of a career and technical education program that provides
  individuals with coherent, rigorous content aligned with academic standards and relevant technical knowledge and
  skills needed to prepare for further education and careers in current and emerging professions and provide
  technical skill proficiency, an industry recognized credential, and a certificate, a diploma, or an associate degree.
- The Minnesota Transfer Curriculum consists of general education courses and goal area definitions and competencies designed for transfer among Minnesota public colleges and universities.

## Public School Student Eligibility – 9th or 10th Grade, Minnesota Statutes 2024, section 124D.09, subdivision 5(b).

A 9th or 10th grade pupil enrolled in a district or an American Indian-controlled tribal contract or grant school eligible for aid under section 124D.83, except a foreign exchange pupil enrolled in a district under a cultural exchange program, may apply to enroll in nonsectarian courses offered under 124D.83, subdivision 10 courses according to agreements, if:

- 1. The school district and the eligible PSI providing the course agree to the student's enrollment; or
- 2. The course is a world language course currently available to 11th and 12th grade students, and consistent withsection 120B.022 governing world language standards, certificates, and seals.

#### Limit on Participation, Minnesota Statutes 2024, section 124D.09, subdivision 8.

- 1. A pupil who first enrolls in grade 9 may not enroll in PSEO courses for more than the equivalent of fouracademic years.
- 2. A pupil who first enrolls in grade 10 may not enroll in PSEO courses for more than the equivalent of threeacademic years.
- 3. A pupil who first enrolls in grade 11 may not enroll in PSEO courses for more than the equivalent of twoacademic years.
- 4. A pupil who first enrolls in grade 12 may not enroll in PSEO courses for more than the equivalent of oneacademic year.
- 5. If a pupil in grade 9, 10, 11, or 12 first enrolls in PSEO during the school year, participation shall be reduced proportionately.
- 6. If a pupil is in a learning year or other year-round program and begins each grade in the summer session, summer sessions shall not be counted against the time of participation.
- 7. If a school district determines a pupil is not on track to graduate, the limit on participation does not applyto that pupil.
- 8. A pupil who has graduated from high school cannot participate in a program under this section.
- 9. A pupil who has completed requirements for graduation but who has not received a diploma mayparticipate in the program.

#### **Academic Year**

For purposes of determining PSEO eligibility, an academic year is equivalent to a school year and is defined as July 1 through June 30.

#### Early Middle College Program – Minnesota Statutes 2024, section 124D.09, subdivision 9(b).

An institution must not enroll secondary pupils, for PSEO purposes, in remedial, developmental, or other courses that are not college level except when a student eligible to participate and enrolled in the graduation incentives program under section 124D.68 enrolls full time in a middle or early college program designed with a well-defined pathway to allow the student to earn a certificate or degree.

#### Fees; Textbooks; Materials – Minnesota Statutes 2024, section 124D.09, subdivision 20.

All textbooks and equipment provided to a pupil, and paid for by the department, are the property of the pupil's PSI. Each pupil is required to return all textbooks and equipment to the PSI after the course has ended.

## Participation in High School Activities – Minnesota Statutes 2024, section 124D.09, subdivision 11(a).

A school district must allow a student enrolled in a course under this section to remain at the school site during regular school hours.

#### Access to Building and Technology – Minnesota Statutes 2024, section 124D.09, subdivisions 11(a) and 11(b).

A school district must allow a student enrolled in a PSEO course to remain at the school site during regular school hours. A school district must adopt a policy that provides a student enrolled in PSEO with reasonable access during regular school hours to a computer and other technology resources the student needs to complete coursework for a PSEO course.
