

ABOUT US

Crown is a fully accredited college that offers quality academics, convenient online options, and a boldly Christian environment.

DUAL ENROLLMENT OPTIONS

Crown offers Dual Enrollment courses to qualified high school students who are non-Minnesota residents. This program permits students to simultaneously earn high school and college credit, which may be applied to a degree program at Crown or transferred to another institution. Students can take classes online with other high school students.

The online courses are taught by Crown's credentialed faculty members, have a low student to instructor ratio and are offered in a 15-week semester format. All students are supported by a dedicated academic advisor.

TUITION & FEES

\$95/Credit

Most classes offer free digital books; however, if a class requires a physical book, students must purchase it.

SCHOLARSHIPS

Scholarships are available to students who attended Crown as dual enrolled students and then enroll as full-time first-year students the following academic year. The maximum amount of this renewable scholarship is \$500 per year if attending on campus. Students must demonstrate financial need as determined by the FAFSA.

Students enrolling in an online degree program are eligible for a 25% off tuition discount.

ASSOCIATES DEGREE

Students can earn an Associate's degree while still in high school. Contact us for more information.

APPLICATION INFO

- Students must have a minimum 3.0 high school GPA
- No standardized tests are required for admission
- Application Deadlines:
 - August 1st
 - December 1st

To apply, students must submit the following:

- An online Crown application
- An official high school transcript
